South Dakota FFA  
Foundation

# ANNUAL REPORT

July 1, 2012 – June 30, 2013

We **thank you for helping "GROW the future."** Your generous support is appreciated by the more than 3,900 South Dakota FFA members and their 80 teachers in FFA chapters across the state. The South Dakota FFA's well-rounded young people possess the positive life skills necessary not only to succeed in life, but to excel. Many will pursue higher education through scholarship opportunities afforded through the FFA, and most will become productive citizens and leaders in their local communities.

Whatever their path, you can feel a sense of pride in knowing that you helped make it possible — not just for today, but for future generations of South Dakota. You are helping grow the members and the legacy of the FFA, and we appreciate you joining our efforts. You are making an investment today, which is guaranteed to grow tomorrow.

In 2013, the SD FFA Foundation raised a record **\$255,478.45** through individual and corporate financial contributions to support FFA, and received numerous in kind donations that benefited our events. Look at the ways we've "GROWN the future" with your support!

## OUR MISSION

The South Dakota FFA Foundation, Inc. is a non-profit organization that generates financial support for South Dakota FFA members. Through the South Dakota FFA Foundation, we help fund leadership development programs and activities for all South Dakota youth in agriculture education, as well as scholarships and awards for successful FFA members.

# PRESIDENT'S MESSAGE

*Join the more than 460 alumni and supporters already giving back & providing current & future FFA members with an opportunity to grow.*

In the world of agriculture we are continually striving for improvement and growth. In the crop sector – higher yields and better varieties, in the livestock industry – breed traits that improve efficiency, and in agri business – new products and technology.

Many of our current agriculture leaders and producers found their passion for agriculture in their agricultural education classes and the FFA. They gained the knowledge and skills needed to improve their agri-business or farm operation and the desire to continually grow.

The South Dakota FFA Foundation is also striving for improvement and growth. Each year our goal is to improve the opportunities we can provide our FFA members and to grow the financial base of the foundation. 2012-2013 was a record-breaking year for the foundation with contributions of \$255,478.45.

It is the financial contributions as well as the many hours provided by volunteers across the state that help us to improve, grow and most importantly continue supporting one of the greatest youth organizations. Your support grows those who will be the next generation of agri leaders and producers.

From the individual to the corporation; your support of the FFA organization is greatly appreciated. On behalf of the South Dakota FFA Foundation, I send a huge thank you for your part in helping us **Grow the Future**.

# GROW THE FUTURE

"The leadership, self confidence and decision making abilities learned through FFA made me the successful businessman I am today. I would encourage all past members to pay it back and contribute to the SD FFA Foundation."

**DeWayne L. Siebrasse**  
CATTLECENTS CONSULTING, INC.,  
Gettysburg Alum 1969

"We support the FFA because we believe educating students in agriculture helps ensure a strong future in rural America. The FFA prepares students to be future leaders through many programs and competitions. The organization also teaches

young men and women the importance of ethical standards, confidence and compassion. There are many great career opportunities in the agricultural industry and the FFA inspires students to pursue those opportunities. We have many employees and customers who have benefited from FFA and I am sure we will into the future as well."

**Matt Cronin, President**  
C&B OPERATIONS, LLC, Gettysburg, SD

"From our experience, becoming an FFA member leads to a building of character, making young people more responsible and confident in their lives. Just as important, active participation will allow members to develop relationships with

many new people they meet; building that personal network that will stick with them their whole lives. That's why we support FFA."

**Wally & Kathy Knock**, WILLOW LAKE

"My involvement as an FFA member provided a strong foundation for my career success. I support FFA programs today because I see it as an investment in the future of the agriculture industry – FFA students are tomorrow's ag producers and industry leaders."

**Melissa Stearns, Owner**  
THREE CORNERS INSURANCE AGENCY,  
Wessington Springs Alum 1990

"We support FFA because we share the belief with its founders – that agriculture is more than planting and harvesting; it uniquely involves science, math, business and art. The challenges for the next generation are increasingly unique and if we do our part by providing leadership and education, enabling experiences with other young people across the nation, providing career path guidance, supporting competition and encouraging community projects, our South Dakota students will be better prepared for the future."

## 2012-2013 STAR PARTNERS

The South Dakota FFA has been a major part of the spirit of South Dakota's youth and agriculture for more than 80 years. The Star Partner Program joins the efforts of businesses and organizations with FFA's mission of developing premier leadership, personal growth and career success for youth involved in agriculture education.

Star Partners come on board January 1 or July 1 and provide financial resources for six South Dakota Team Ag Ed Members:

- SD Assn of Ag Educators
- SD FFA Association
- SDSU Ag Education
- SD Future Ag Leaders (*various agricultural leadership organizations for post-secondary students*)
- SD FFA Alumni
- SD FFA Foundation
