South Dakota FFA
Foundation

Annual Report

July 1, 2010 – June 30, 2011

We are the South Dakota FFA Foundation, Inc.

We Back the Blue

The South Dakota FFA Foundation, Inc. is a non-profit organization that generates financial support for the 3,300 South Dakota FFA members. Through the South Dakota FFA Foundation, we help fund leadership development programs and activities for all South Dakota youth in agriculture education, as well as scholarships and awards for successful FFA members.

Why should you "Back the Blue?"

-  Make a difference in the lives of young people.
-  Impact the future of South Dakota agriculture.
-  Recognition as a sponsor at the appropriate event/activity, promoting your business/organization.
-  Your organization name is announced during the awards presentation and on the stage screen.
-  Receive an invitation to present the awards at the appropriate awards ceremony -- an opportunity to network with other leaders in the agricultural and natural resources industry.
-  Affiliation with the largest agriculture-based, youth membership organization in South Dakota.
-  Listed as a South Dakota FFA Foundation sponsor – on our website, in this report and our annual campaign brochure.
-  *It feels great!*

We Back the Blue

"Each and every veterinary clinic, retailer and animal health distributor we have the chance to work with understands the growing importance of supporting tomorrow's agriculture leaders. It is an honor to be a link in the support system for not only our partners, but the organizations that are at the very heart of our industry."

~ **Julian Garcia, Marketing Group Director, Pfizer Animal Health, FFA Alumnus**

"I would not be doing what I am today without FFA giving me the building blocks to succeed. It feels good to give back to an organization that gave me such an invaluable beginning."

~ **Mike McIntyre, Veterinarian & Rancher, Winfred, SD & 1994 Madison FFA Graduate**

~ **Roxanne Knock, PhD, Staff Nutritionist, Dakotaland Feeds, Huron & 1999 Tulare FFA Graduate**

"Dakotaland Feeds supports FFA programs because the FFA is preparing youth to be the next generation of agriculture leaders. We want to support students to stay involved in our industry and be well-informed advocates for agriculture. The FFA's Supervised Agriculture Experience program helps ensure that students develop a work ethic, gain experience in an agricultural field, and have an understanding of how to keep records and manage money which is something no other youth organization is as committed to as the FFA."

~ **Crissa Fruechte, Territory Sales Manager, SD DEKALB Asgrow Team & 2004 Webster FFA Graduate**

"SD DEKALB/Asgrow team understands that the youth are the future of the agriculture industry and our company. With a growing population, the industry needs talented, driven and passionate young adults willing to make a commitment to agriculture. This is why the SD DEKALB/Asgrow team invests in SD FFA where they have the opportunity to learn and develop the skills necessary for us to remain focused on improving yields and improving farmers' lives."

"I support FFA because they are the future of agriculture and conservation of our natural resources. Without them, the world will go hungry."

What happens when you Back the Blue?

In 2010-11 your contributions to the SD FFA Foundation helped:

- One South Dakota FFA member become a National FFA Officer.
- Six members become South Dakota FFA state officers.
- 45 members earn their FFA jacket at no cost by writing essays.
- 175 members attend Leadership Retreats to become our future leaders in agriculture or any career field they choose.
- 1,800 South Dakota FFA members attend the state convention and participate in a wide variety of activities including judging, community service and workshops where they gained lifelong skills and made lifelong friendships.

That's what happens when you Back the Blue!

Your combined financial donations in the 2010-2011 fiscal year totaled \$118,142.26 (including in-kind contributions), making it the best year in South Dakota FFA Foundation history! Your support of the South Dakota FFA and its members is phenomenal.

With your contributions the South Dakota FFA Foundation board and staff can provide each and every FFA member across the state with a multitude of opportunities and rewards. Thank you for your continued support and we look forward to new opportunities to Back the Blue.

Sincerely,

Sandy Osterday
