“The blue jacket symbolically unites members and allows us to be a part of the sea of blue regardless of race, gender, socioeconomic status, ethnicity, or who we are as a person. I remember putting on my first blue jacket at the National FFA Convention my freshman year, after receiving it through the “Blue Jacket Bright Futures” Program. I am truly thankful for the sponsors and all the opportunities that were presented to me because I had the opportunity to wear the blue jacket that opened endless opportunities within the organization.” – Hunter Eide, State Secretary, from Gettysburg.

When students join the FFA, they typically purchase or borrow jackets to compete in the many Career Development Events offered through FFA. The jacket is their team "uniform" to be worn at all official FFA events. The blue corduroy FFA jacket has been the status symbol of the national FFA organization since 1933, when delegates to the national convention voted to make the jacket part of the organization's official attire, thus creating the long-standing tradition.

Individuals and businesses interested in sponsoring an FFA jacket for a SD FFA member should contact Gerri Ann Eide, SD FFA Foundation Executive Director at 605-765-4865 or gerri@sdfafoundation.org. Sponsorships are \$80 per jacket.

The SD FFA Foundation is proud to support Agricultural Education and the FFA's mission to make a difference in the lives of students by developing their potential for *premier leadership, personal growth* and *career success* through agricultural education.
